A NOTE FROM PROF. GERHARD BENTHIN
HEAD COACH and DIRECTOR

We attended the Mediterranean International Cup (MIC) 2016 Tournament in April of last year. We had an amazing experience at MIC CUP 2016, our team reached the Quarter-Final versus Stoke City of England EPL.

Our goal and concept is to give a real experience on what it takes to play and compete against Pro-Academy Youth Teams. This year many of our players are now on Academy Teams in the U.S. and Europe. We want to encourage them to play academy level tournaments. We will be there to teach them the edge needed to be ready for those try-outs and learn what it takes to be a professional footballer.
